

CANCEL Corporate Tax Cuts!

RALLY

February 25, 2011

12 noon - 1 p.m.

Sault Ste. Marie

Corner of Queen and Brock

Premier Dalton McGuinty's corporate tax cuts **will cost Ontario \$2.4 billion**. These tax cuts are donations to rich corporations like the Royal Bank of Canada and the Bank of Montreal. **Canada's Big Six banks paid out \$8 billion in bonuses** in 2009 on profits of more than **\$14 billion**.

If you had your choice, what **would you do with \$2.4 billion**? Would you **create jobs and invest in public services that benefit everyone**? Or would you go ahead with Premier McGuinty and Sault Ste. Marie MPP David Oraziotti's tax breaks for the rich?
